

Kimono Print Pendant

A Polymer Clay Workshop by Corliss Rose of 2Roses

When: June 23, 2018 -
a Saturday

Where: The Bowers
Kidseum, upper level

Time: 1PM until 4PM
(a 3hour workshop)

Cost: \$50. all inclusive price
for Bead Society OC
& MASSC members

Description:

This workshop has been formatted for absolute beginners and is also well suited for confident beginners or intermediate level students. Learn to do precision cutting, forming and finishing while you create this lovely pendant. Corliss will take you step-by-step through the process of selecting your design elements, creating your base, assembling and finishing your cord closure.

The fee you pay includes all of your clay related supplies -and- Corliss will provide you with a wide selection of pre-made patterned raw clay "vener" for you to use in your pendant. The color combinations are endless and your results will be absolutely gorgeous!

The next page contains what you'll receive for your materials fee and what you should bring with you to class.

The following will be provided to you as tools and consumables:

Pendant Templates and Handout

2 print outs of the pendant template which will give you 3 different shapes in 2 different sizes plus a handout of the construction technique.

Clays:

2 oz of black Premo! polymer clay
Liquid Polymer Clay for adhesive use

Special Fabricated Raw Clay:

All students will be furnished a wonderful selection of pre-fabricated, patterned and gold foiled raw clay "veneer" to use as the kimono design portion of their pendants. Each student will select 3 pieces of stock plus a section of the foiled.

Findings:

29" of black cord
1 foot of black crochet string for making the closure

Items for You to bring to this workshop - a visual version of this list is attached to this form:

A scissors
Masking tape
Toothpicks - about 6 or so
Jewelry Pliers - needle nose
one 6" plain ceramic tile
one flexible tissue cutting blade (available at Michael's Craft)
one acrylic rod hand roller for clay (available at Michael's Craft)
tapestry needles #18 size (available at Michael's Craft)

Equipment that will be provided for student use

1 toaster oven for curing with internal thermometers
3 metal clay rolling machines (these are typically pasta rolling machines)

Special Note: Those of you who are confident beginners or intermediate level and have your own metal pasta machine devoted to polymer clay or a Sculpey brand clay rolling machine, please bring it for your own use. It will greatly cut the time that students have to wait to use the machines provided for use in this workshop.

Corliss will also have ceramic tiles, tissue blades and acrylic hand rollers available for a very moderate cost. Please email corliss@2roses.com to place your order. 6" sq ceramic tiles are \$1. each, tissue blades are \$4. each and acrylic hand rollers are \$5. each.

Additionally, this workshop requires the signing of a liability waiver. This waiver is part of your registration form. Your signature is required on the form along with your payment, to register for this workshop. You can also register on-line and securely use PayPal to pay for your workshop. Details and the URL are given on your registration form.

Student Liability Waiver for Corliss Rose - 2Roses
Kimono Print Pendant Workshop
at the Bowers Kidseum, Santa Ana CA
Saturday, June 23, 2018 - 1PM until 4PM

In consideration of accepting this activity, and to the extent permitted by the law, I hereby agree to release, indemnify, defend and hold harmless on behalf of myself, The Bead Society of Orange County and its officers, directors, clients, agents, presenters or employees, by Corliss Rose-2Roses (instructor), The Bowers Museum & Kidseum and their representatives (host) from and against any and all liabilities, claims, penalties, losses, or expenses (including attorneys' fees), of any kind or nature whatsoever, whether related to bodily injury, property damage or any other form of injury or loss to myself, caused by any negligent act or omission of The Bead Society of Orange County, and et all as mentioned above, arising out of or in any way related to participation in the activity for which I am registered. I acknowledge that the activity of this release employs the use of craft knives, tissue blades and a heat source (commercial toaster oven), darning needles and polymer clay.

As a result of my agreement, I am accepting those risks for myself. I also accept full responsibility for the parking of my vehicle and the security of my personal valuables, tools and supplies for this demonstration. I further give permission to The Bead Society of Orange County to take photographs while participating in this activity for use in future Bead Society of Orange County publicity and that I will not receive any compensation for such use.

I certify that I have read and understand this waiver and release as it applies to me.
